Subject: Final Intimation Regarding Cancellation of Allotment – Plot No. A-127

Dear Sir,

This is with reference to the allotment of **Plot No. A-127** in **Shri Vivek Heritage**.

As per the agreed payment terms, you were requested to deposit the due payment on **19th July 2024**. The said request and reminders were duly communicated to you through telephonic conversations as well as WhatsApp messages. The same communication was also conveyed to your **authorized property consultant, Mr. Neeraj Agrawal**, for necessary follow-up.

However, despite several reminders and sufficient opportunity provided by the company, the required payment has not been deposited. In view of the continued non-compliance with the agreed payment terms and conditions, the company has been left with no alternative but to **cancel the allotment of Plot No. A-127 with immediate effect**.

This decision has been taken strictly in accordance with the company's allotment policies and payment conditions.

Nevertheless, the company would like to place on record that **Shri Vivek Heritage** has always maintained cordial and professional relations with you as well as with **Mr. Neeraj Agrawal**. In light of these long-standing relations, the company remains open to discussing the matter further on a mutually agreeable basis, should you wish to initiate any constructive discussion in this regard.

This letter may kindly be treated as a **formal and final intimation** regarding the cancellation of the aforesaid plot allotment.

Thanking you.

Warm regards,

For **Shri Vivek Heritage**
